6. Roland Cloud Manager may start the installation of Concerto. In that case, please follow the instructions.

INSTALL THE D-50 AND OTHER SOFTWARE SYNTHESIZERS

1. Roland Cloud Manager shows the following screen. Click on [Go to My Instruments].

Access Roland Cloud Manager from the System Tray on Windows or the Menu Bar on MacOS.

2. Install the instruments (software synthesizers) you want using Roland Cloud Manager. When you want to install the D-50, click on the "Install" button next to the D-50 in Roland Cloud Manager.

3. The D-50 installer will appear. Follow the instructions to install the D-50.

Now you're ready to use the installed software synthesizers as VST or AU plugins in your favorite DAW.
